Merriam Woods, MO 65740
Phone: 417-561-4341 Fax: 417-561-5601

Merriam Woods Residents:

This section of the website will be devoted to road work updates. Provided the additional tax levy passes, this section is where you will find the bank account for Road Work posted each month, showing money coming in and going out and how the money is spent.

A formula sheet is also available in this section to calculate your additional property tax increase for four years.

If the additional tax levy passes, four years is not enough time to even come close to finishing the amount of road work that needs to be done. It is only a beginning. The beginning phase of this plan is to correct the flow of water with ditches and culverts. The beginning phase also includes correctly using chip and seal to do the main entrance roads in and out of Merriam Woods. Once the main roads are completed, then work would begin on the side roads that enter into the main roads.

Please remember, this tax is only for four years. It is only a small start to the amount of work that needs to be done.

Please call or stop by the office with questions, concerns, or suggestions.
