2. I agree to pay a minimum monthly meter charge for the water service connection from time service is made available by the City and pay for additional water used at the rate set out in the rate schedule adapted by the Board of Aldermen. Any changes made in the minimum monthly water charge and rate schedule by the Board of Aldermen of the City shall become a part of this agreement as though fully set out herein. Initial _____
3. The water service supplied by the City shall be for the sole use of the undersigned; the undersigned agrees that he/she will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will he/she share, resell, or sub-meter to any customer. Each meter service shall supply water to only one residence or business establishment located on land within the City. Representatives of the City may at any reasonable time come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service. Initial _____
4. Representatives of the City will read the water meters monthly. The service bill for Water used shall be rendered by the City on or before the 5th day of the month following the month in which the water was used, and the undersigned agrees to pay said service bill on or before the 20th day of the month in which the bill is rendered or be subject to late charge of \$10.00. Failure of the City to submit a service bill shall not excuse the undersigned from his/her obligation to pay a bill. If not paid by the 18th day after the 20th in the following month in which the bill is rendered, it will result in discontinuance of the service. Initial _____
